

Unit 11

Pie Charts

- Reading and interpreting data from pie charts
- Solving problems using data from tables/graphs

A. Knowledge

1. The table shows the favourite genres of music among a group of teenagers.

Music	Pop	Rock	Hip Hop	Electronic
Number	6	9	3	6
Fraction	$\frac{1}{4}$	$\frac{3}{8}$		

- (a) Complete the missing fractions in the table.
- (b) Tick (✓) the pie chart that best represents the data in the table.
